

## Calling all Beavers, Cubs, Scouts and Explorers!

The Regain Cycling Challenge is back for 2025 and once again open to everyone in the Scouting community. This exciting event is a great opportunity for groups to camp, earn badges, take on a challenge and meet some very inspirational people.

**Friday 27th and Saturday 28th June 2025**

### Why should your group take part in the Regain Cycling Challenge 2025?

Regain is the only charity dedicated to improving the independence of all British men and women who have become tetraplegic (paralysed) through a sports injury.

The Regain Cycling challenge is a great opportunity for your group to camp, take part in an exciting challenge, earn badges and meet some of our very inspirational beneficiaries.

Last year we had over 100 Scouts take part and they all had an amazing time!

### We have two options available for the Regain Cycling Challenge 2025:

#### Friday and Saturday (£30 per person)

*"6th Gosport Scout Group had the most amazing day at Thruxton taking part in the Regain cycling challenge. The young people loved it, and were incredible at pushing themselves to complete as many laps as they could! The organisation and value for money was brilliant, we will definitely be signing up again."*

*I just wanted to express our sincere thanks once again for a fantastic event. We will definitely be returning next year and will be making a weekend of it. My children came as part of their scout group and had the most phenomenal experience. The event was brilliantly organised and the food exceptional!*
